

**Dear our fellow supporters and Co-workers of the **Fiwagoh Orphanage Ministries** around the World,**

Many Christian greetings from Kenya and from us all here at the **Fiwagoh Mission Ministries, Our staff workers, the Bible workers, the orphan children and the church members, all send you their best end and New Year greetings in the precious name of our Lord and Saviour Christ Jesus.**

**Happy New Year 2010 to you all!!**

While we are just winding up the last hours of the day here in Kenya to close the heavy tasks, worries, the struggles of the old year 2009, our concerns also come to you all wherever you may be in the globe.

We could have so much to share in this e-mail, that carries the heavy files of the this now finished year, but time and space here may not allow, so we may first of all give all the Glory to our Heavenly Father and the fellowship of the dear Elder Brother, our High Priest Jesus Christ together with the Holy Spirit, for their united efforts to ensure our safety, guidance, under His arms of love in the long journey of the year 2009. May He only receive all the Glory, Honor and many praises to His Holy name. Amen!!!

The amazing great News we have for you is that, **since the 20<sup>th</sup> December 2009, we all moved to our newly finished constructed home Centre.** Praise the Lord for His marvelous love that He has manifested towards the end of the Construction project of the new home for the Mission Centre which has lasted for two and a half years. We want to share with you our much joy filled in the hearts of everyone here for this most wonderful gift to the Mission. We now have a new Song in our hearts. Every one of us was extremely excited as we packed all our belongings which took nearly one week to transport them all to the new home before the final farewell we bade to the villagers and the church members of the new home church we planted while in this old premises.

Now, both the Workers and the children are in the new site, in spite that all the workers are renting some living houses in the nearby villages as we wait to build their living quarters soon as the Lord will provide means for this..

The great project already accomplished is a result of your united efforts through your generous and untiring giving of donations to the fantastic product of the good home for the desperate children, of which, this new home is now going to house more than the 95 orphans already living with us. These children are now going to enjoy a lot of better spacious dormitories, Dining hall, Toilets, shower rooms also with plenty of water, electricity, land to grow our own food, and fresh air. **Surely this is very doing of the Lord.**

We want to send out much thanks to you all for making all this a possible outcome dream through your untiring efforts of self sacrifices in form of offerings, tithes, and donations which have made us to come through this year as more than Conquerors. In spite the many challenges we faced while lived in the old home in the year 2009, we have more blessings to mention that are overweighing these ups and downs.

**Among these blessings to mention, is the accomplishment of the big dream of the new home for the children. The Other blessing we received in the past year 2009, was a 40ft container of different household goods, clothing, farm tools, beddings, other computer accessories,** Thank you very much and may God the giver of all, richly bless you with immeasurable blessings. We here, have nothing to reward you for the good work you have done to this Mission in the year 2009, our only gift to you is

to pray for you that may God remember to reward you when He comes the second time to take His saints to the earth made new.

We want to wish you a very prosperous year 2010, and that you may also flourish with all the physical and spiritual blessings.

We have not yet set our computers in the new home, so we are going to be a little late to send you our Monthly newsletter but this will come to you shortly after the computers are set in order.

Receive all the many blessings from the smiling children and part of the staffs as you can see from the photo below.

**Happy New year to all our sponsors and donors (thank you for this precious gifts)**

Hope to continue together with you the good work of upbuilding of God's kingdom in this part of Africa in Kenya. We want to continue this noble work of training these dear young ones in the fear of Lord, and with your continual support in the coming year 2010, more abundant results will bear fruits for Jesus, and this will not only be preached out but will hasten the second coming of the Lord Jesus.

May God richly bless you

Yours in the blessed hope,

**Pastor Benson, Florence, the Children and all the Staffs
