Foster a needy child, train it for eternity

31<sup>st</sup> December 2014

Dear Our Faithful supporter,

Happy New Year greetings from the big family of Fiwagoh.

Receive many hearty greetings from the children, staffs, Bible workers and our church members in Kenya, all send you their warm regards in the precious name of Jesus Christ.

Another new year 2015 is here!!! What a blessing from the Lord!!! We know not how many millions of our fellow's beings who did not manage to make it here. Many so precious people's lives were cut short before the year 2014 ended. God has granted to us again another opportunity to serve in His Vineyard.

This New Year 2015 marks our 12th year since the founding of the Fiwagoh mission orphanage Ministries. Since the year 2003, till here, it has been a long journey with you and the Lord. Thank you so much for travelling with us in this long journey of up-building of the Lord's work in Kenya.

Personally, want to thank my dear wife Florence for her very, very great support for me. Through her dedicated spirit of humility working in her life, we are enabled to be here today.

I also want to thank my Adopted Mum Marie in Illinois, Sister Lena from Switzerland, Sue in Australia, Uncle Bret & Diana, Bro. Brian & Carol Duarte's from USA, and all very dedicated sponsors and donors around the world who through their support, e-mails, letters and phone calls of encouragement, we have been enabled to mount up to our present standing. Thank you also for your love offerings and tithes for the servants of God working in this country, thank you also for the Spiritual materials such as Bibles, spiritual books and other spiritual tools you gave us in this year to push this work forward, thank you for your continued support to our child/children on monthly sponsorship program, and thanks to those who left their homes and jobs to come over here to visit the mission in person and had some happy time with our children, staffs and church members.

You also are among the most important person in our Mission life, for without you, we could not have made it where we are today. You may imagine how far the Lord has brought us since our crawling stages of the work till now. The difference seen today both in the ministry and in the lives of the children admitted here in the home, is surely approve that through your consistency in giving without fainting. Even in very bad times of economy, you have still given us to keep going. Thank you very much.

The year 2014 is now coming to an end and still some of the projects unaccomplished and some underway, please let's continue to hold each other's hands to continue on in the good work of saving souls. Let us Labor Day and night to rescue the perishing.

As most of you are aware, we are still having some underway ongoing building projects to carry on in the New Year 2015. **The Trade school is still unfinished, the chapel is not yet completed, and then we have the young children's extension rooms that will house at least 60 little ones.**

As you receive or you already received our September-November 2014 News report, please as much the Lord will impress you to support the work in Kenya, please send your love offerings, support of a building fund to complete the underway construction projects. We believe God has blessed us firstly with His free gift of life and health and much more with our daily food and a house to live, and He will continue to bless those who stand with the work for the suffering and the needy souls in poor countries like Kenya.

We have nothing in our hands that we can give you as a reward to the much support you have given to make this mission keep existing. May our only Heavenly Father reward your consecrated work and that after all is done, He will approbate you with these words: "Well-done ye faithful servant, you were faithful in that which was least enter ye into the kingdom and be in charge of much. What a great day that will be!!! Mathew 25:
